TO PREPARE AND FILE OBJECTIONS TO
MAG/JUDGE'S REPORT AND RECOMMENDATION.

COMES now the petitioner Darryl Le'veon Joyce [herein-
after Joyce] in the above styled cause of action to request seven
additional days to prepare and file "objections", on the following
grounds to wit:

the law library only twice a week.

(2) Joyce is pro-se and unrepresented in the service of law.

(3) Joyce status as a segregation inmate doesn't provide -

him with the Adequate resources and time to properly prepare required objections and is therefore in need of seven additional days to adequately submit said objections.

WHEREFORE, for the above said reasons Joyce Pray
that said request for additional time be granted.
